³ IFFIm contribution does not include programme support cost

⁴ The US Centers for Disease Control and Prevention, the Bill and Melinda Gates Foundation, Rotary International and the United Nations Foundation provided third-party funding to "buy down" World Bank loans to countries for the purchase of oral polio vaccine, in effect turning the loans into grants.

⁵ 'Other' includes contributions from AGFUND, British Airways; Millennium Fund; Saudi Arabian Red Crescent Society; Smith Kline Biologicals; UNICEF National Committees.

⁶ The contributions from Rotary, Gates and USCDC to the World Bank Investment Partnership have also been counted in their own contribution line. The grand total here, however, counts their contribution only once.
